

Designing with Strips and Curves

Ramblin' Rose

3" + 6" On The Edge Template Set

Supply List for a 36" x 36" wall hanging

Fabric requirements for 36" square wall hanging as pictured:

- 1 1/4 yds purple (background and binding)
- 1/2 yd dark teal (large flowers)
- 1/2 yd light teal (large flowers)
- 1/4 yd dark green (small flowers)
- 1/8 yd light green (small flowers)

You have the option of making a 24" x 60" or 24" x 72" table runner using only the 6" template (large teal flower at right.) If you wish to make a table runner, bring at least 2 1/2 yds background, 1 yd of dark color for flower, and 1 yd light color for flower.

IT IS ABSOLUTELY NECESSARY TO HEAVILY STARCH AND PRESS YOUR FABRIC BEFORE CLASS. PRESS - DON'T IRON.

YOU ARE STABILIZING THE FABRIC BEFORE CUTTING. When I use spray starch I will spray and PRESS (not iron) 3-4 times. If using yardage I mix StayFlo liquid starch with an equal amount of water. Dip the fabric in until it is wet. Squeeze out the excess starch and toss it in the dryer. Then press. This step will minimize the stretching that occurs on curved/bias edges. This is an important part of the process to achieve successful curved seams.

- 3" + 6" On The Edge template set (available at stripsandcurves.com and in class for \$29.95 + tax)
- Sewing machine in good working order - don't forget your manual, cord, and pedal
- If you have a knee lift bring it - it's very helpful
- 1/4" foot is a must (or your favorite way to assure 1/4" seams)
- Basic sewing supplies (scissors, seam ripper, pins, extra machine needles, etc.)
- Fine pins
- Glue pen with a few refills
- Neutral thread or thread(s) that coordinate with your fabric choices
- Extra bobbin(s)
- 28mm rotary cutter with new blade – the smaller size is necessary to cut the small curves
- Medium size cutting mat. If you have a rotating mat, bring that one. It makes cutting curves much easier
- 6"x12" and 6"x18" rulers
- Fine point Sharpie marker
- Spray starch, not Best Press. We are going for stiff fabric. I use Faultless heavy finish.
- Heat resistant template plastic (sheets of Dritz heat resistant template plastic will be available in class for \$4+tax)
- Iron and ironing surface *if* there is sufficient space and workshop sponsor permits individual irons
- Foam core or flannel covered board to use as a design wall

I accept cash, checks, Visa, MasterCard and Discover.

If you have questions, please don't hesitate to call me. I love chatting with quilters!
