

Designing With Strips and Curves

9" On The Edge

Supply List

Sample 1
36" x 45"

Sample 2
64" x 74"

For Sample 1: One fat quarter will make 2 apostrophe shapes and 2 L-shapes. Bring 15 - 24 fat quarters – 1/3 light, 1/3 medium, and 1/3 dark value – you'll need contrast to make the shapes pop. If you want to add borders: ½ yard for inner border and 1 yard for outer border.

For Sample 2: Bring 45 or more fat quarters – 1/3 light, 1/3 medium, and 1/3 dark value – you'll need contrast to make the shapes pop. If you want to add borders: 1 yard for inner border and 1¼ for outer border.

IT IS INCREDIBLY IMPORTANT TO HEAVILY SPRAY STARCH AND PRESS YOUR FABRIC BEFORE CLASS. PRESS - DON'T IRON. YOU ARE STABILIZING THE FABRIC BEFORE CUTTING.

- Strips 'n Curves 9" On The Edge template set. If you already own the set, bring it! The template set will be available for purchase in class for \$39.95+tax.
- Sewing machine in good working order – don't forget your manual, electric cord, and pedal!
- If you have a knee lift bring it - it's very helpful
- 1/4" foot is a must (or your favorite way to assure 1/4" seams)
- Basic sewing supplies (scissors, seam ripper, pins, extra machine needles, etc.)
- Fine pins
- Glue pen with a few refills
- Neutral thread and several that coordinate with your fabric choices
- Extra bobbin(s)
- 28mm rotary cutter with new blade – the smaller size cuts curves sooooo much better than a 45mm
- Medium size cutting mat. If you have a rotating mat, bring that one. It makes cutting curves much easier.
- 6"x12" and 12"x12" rulers
- Fine point Sharpie marker

9" On The Edge

Supply List

Page 2

- 3 yards Floriani Stitch n Wash Fusible **OR** heat resistant template plastic (sheets of Dritz heat resistant template plastic will be available in class for \$4+tax)
