

Designing With Strips and Curves

All You Need Is Love Supply List

Review my ["Into the Strata-sphere"](#) document for guidance on fabric selection. **NOTE: We will layout and sew your strip sets on day 1 of the class.**

- Strips 'n Curves Basic + Basic Set II template sets.
If you already own one or both template sets, bring them! Both sets will be available for purchase in class. The Basic set is \$39.95+tax, Basic II set is \$37.95+tax, or \$68+tax for the two sets.

Visit the gallery on my website stripsandcurves.com/gallery and my Pinterest boards pinterest.com/stripsandcurves/_saved to see all kinds of quilts you can make with the Basic & Basic II sets.

- 1 full-size jellyroll
- 3 1/2 yds background fabric
- 3/8 yd fabric that coordinates with your jellyroll for top cross (pictured in green above)
- 1/2 yd fabric that coordinates with your jellyroll for circle in center (pictured in yellow above)
- 3/8 yd fabric that coordinates with your jellyroll for bottom cross (pictured in blue above)

IT IS INCREDIBLY IMPORTANT TO HEAVILY SPRAY STARCH AND PRESS YOUR FABRIC BEFORE CLASS. PRESS - DON'T IRON. YOU ARE STABILIZING THE FABRIC AGAINST STRETCHING THAT OCCURS WHEN YOU CUT AND SEW BIAS/CURVED EDGES.

- Sewing machine in good working order – don't forget your manual, electric cord, and pedal!
- If you have a knee lift bring it - it's very helpful
- 1/4" foot is a must (or your favorite way to assure 1/4" seams)
- Basic sewing supplies (scissors, seam ripper, pins, extra machine needles, etc.)
- Glue pen with a few refills
- Neutral thread and several that coordinate with your fabric choices
- Extra bobbin(s)
- 28mm rotary cutter with new blade – the smaller size cuts curves sooooo much better than a 45mm
- Medium size cutting mat. If you have a rotating mat, bring that one. It makes cutting curves much easier.
- 6"x12" and 12"x12" rulers
- Fine point Sharpie marker
- Iron and ironing surface if there is sufficient space and workshop sponsor permits individual irons
- Foam core or flannel covered board to use as a design wall

I accept cash, checks, Visa, MasterCard and Discover.

If you have questions, please don't hesitate to call me. I love chatting with quilters!
